

Wow what a year! A year which promised to be normal but certainly came with it's own challenges. I would like to say a massive thank you to the staff at Eling who have shown nothing but professionalism and resilience in the pursuit of providing the children with the education that they deserve even when new challenges arise.

I would also like to thank the parents/ carers for working with us during this year and understanding that engaging with us has a positive impact on your child's learning. But most of all I am so incredibly proud of your children. They have taken on board all of the learning behaviours we value as a school and have done their best all of the time.

As I write this the school is full of the sound of singing and music as the children enjoy our 'Elingbury' festival. The children have all had a successful summer term what with sports days, leavers assembly, school trips, meeting their new school and teachers and of course our hugely successful Summer Fayre. So I hope they will end the year with happy memories.

REMEMBER-changes to school day

Doors will open from 8.30am-8.45am. The official start of the school day is 8.45am. School finishes at 3pm. If you have a child at another school and need a slightly earlier finish time then please contact the school office.

Penguins breakfast and after school club booking

Please remember Penguins after school and breakfast club is available to help with childcare. It is open every day from 7.30am in the morning and after school until 6pm. Please ensure that you have completed the online terms and conditions form before the end of term if you are hoping to use it from September.

Uniform

If you have any used uniform that you no longer need or want then please could you donate them to the school so that we can pass them on to other children and families that would need it. This is very much appreciated.
