

The term is moving fast and already the school is starting to fill with the sound of Christmas songs. Please check the school website calendar and diary dates for the events for the rest of the term. Thank you for those parents who supported the ILEARN sessions on Phonics, as home support really does move on your child's learning. I am very proud of the school councillors who represented the school at Totton's Cenotaph on Monday 11th November. They were a credit to the school.

Uniform and labelling clothes/ PE kits

Towards the end of last half term we have a lot of children that had mislaid clothes. Please can you ensure that all clothes are named as it is costly for you to replace them. In addition, can I remind you that PE kits are to be black shorts or tracksuits bottoms with a red or white top. PE clothing to only be worn on PE days.

If you need any additional uniform we have donated items that you are welcome to have.

ILEARN sessions

What are they? ILEARN sessions are opportunities to come into school and work alongside your child in a specific learning area. These areas are chosen at key times in the year and are relevant to your child's learning journey. **Why do we have them?** We have them so that parents can learn alongside their children and feel comfortable with helping them at home. Thank you to those parents that attended the recent sessions around phonics. If you were unable to make it the presentations can be found on the school website.

Children in Need 2024

Thank you for supporting the school for Children in Need. The children thoroughly enjoyed designing their ducks and cheering on their favourite in the duck race. The school raised over £60.

Lateness

Please can I remind you that school starts at 8.45am it is important that your child is in class and ready to learn for this time.

PTA events

Non school uniform day on Monday 25th November in exchange for a bottle (this can be bubble bath, wine, juice). Anything that comes in a bottle. This is for our bottle tombola.

Attendance

Attendance for October is **95.9%** the national target is **95%**. It is important that your child is in school every day that they are well. It really does make a huge impact on their learning and friendships.

Thank you to all the parents who have phoned into the school office before 9am **each day** that your child has been sick. Remember if you do not notify the school with a reason for your child's absence then it will be recorded as unauthorised.
