

Dear Parents/Carers

The last few weeks of the term is flying by. We have only two weeks left of this school year. Every year I am amazed how quickly the year goes. All of the children have met their new teachers and new schools. The next few weeks the Year 2's are practising for their Leaving assembly which is on Wednesday 19th July at 2pm, all Year 2 parents and carers are welcome to attend.

Attendance

Attendance certificates will be coming home this week. Please be aware that if your child's attendance is below 90% they are categorised as a persistent absentee.

Library and reading books

Please can I ask that all library books are returned by **Friday 14th July** and all reading books be returned by **Monday 17th July**.

I would like to say a huge

THANK YOU

to all those families that have bought from our Amazon book wish list.

I am amazed at your kindness and our library is already looking better for it.

Parent Consultations

You will receive your child's school report at the end of the week and Parent Consultations begin week commencing 10th July. Booking is open now.

We always value the time we have to be able to discuss your child's achievements with you.

PTA

We would like to say a huge thank you to our amazing PTA for organising this terms fundraising which has included the Smarties tubes and the Summer Fayre. Thank you to all parents for your generosity in supporting these events. We have raised over £1000.

Arbor contact check

Please can you check that we have all the correct contact information for you for when we move into the new school year. The majority of fields you can update yourself however if you see something that is out of date that you can't change then please just email the school office.

Sports week for Key Stage 1 (Year 1 and 2) Monday 10th July – Friday 14th July 2023

From Monday 10th July to Friday 14th July the children will be taking part in lots of sporting activities. They will be learning about new sports, being part of a team and doing their personal best. Learning will be linked to the Woman's Football World Cup. The days are packed with lots of learning about countries, keeping ourselves healthy and trying new sports.

For these days the children can come to school in sports clothes. This does not have to be the Eling PE kit.

With best wishes and many thanks for your continued support.

Trina Sillence Headteacher
