

Key stage 1 Summer 2

Literacy

We are going to write information packs on how to best enjoy our local New Forest. We will write a story about an adventure with a magic pen. We will write a recount of our trip to Bolderwood.

Science

We will learn about micro-habitats, the animals that are suited to live in them and their life cycles. We will also learn about growth and reproduction in plants.

Maths

The children will be learning about solving problems and using reasoning skills. The children will be applying and recalling their number facts helping them to build up their mathematical fluency.

Geography.

We will go to Bolderwood to explore the features of a local forest. We will then compare these features to the Brazilian Rainforest.

This term our topic is: Forests

Music

We will continue to develop our singing skills. This will end with a performance to the parents.

RHE

We will be thinking about changes, about ourselves and new school transitions. We will also think about the importance of money, such as needs and wants.

ICT

The children will be creating animated stories and learning how to manage online information.

Art / DT

We will be practicing and refining the skills we have learnt throughout the year linked to our Forests Topic. We will design a forest vehicle for DT. We will create a forest inspired sculpture, painting, collage and fabric picture. We will showcase our artwork for our round up.

PE

We will be participating in a range of athletics sports, such as track and field. We will also be applying our skills in sport games, such as football. This will focus around the world cup, which is happening this summer.

RE

Who is God? Children will be exploring their own ideas about God and finding out what Christians and Hindus believe.

Hook

The children will enjoy a trip to Bolderwood in the New Forest. This will be a great experience to visit our own national forest. We will be thinking about how we can care for our forest. The children will do a presentation on how they would promote forest safety and preservation. This will be on Friday the 3rd July at 2:40pm.

NEW Reminders

Each class will have the opportunity to use the school library on a Friday. The children will be able to choose a book to read for pleasure at home, to go alongside their coloured reading book which is matched to their reading level. Please remind your child to change their library book on a Friday.

We are lucky enough to be having taught PE lessons on a Wednesday and Friday. The children can wear their PE kits into school on Wednesday and Friday. Please ensure all items of clothing are named.

NEW Homework

Please encourage your child to read for a few minutes each night and to write a comment in their reading diaries. They will have two phonics books given out on a Thursday linked to the sounds they are learning. Some children have reached 200 reads!

Remember - Hold a sentence homework will go out on a Friday and is due back the following Friday. You will receive an email every Friday with all the homework, including Purple Mash activities so give these a try! The email will also say what we are learning in class the following week.
