

# Eling Bear goes to School

Eling Bear comes into school with her grown up. She hangs up her coat, chooses a book to take home and comes into the classroom to choose her dinner. She fills up her water bottle and then Eling Bear has a little play in the classroom before sitting on the carpet for the register.

If Eling Bear wants to play on the computers she can or if she would like to make a picture for someone special she can do that too. Sometimes Eling Bear will have to go and do some work with a teacher and group of friends.

After Eling Bear has been playing for the morning it will be time for fruit and milk. Eling Bear chooses what she would like for snack.

After snack time Eling Bear decides to go outside and have a play. She plays in the water tray and plays with the hula hoop. Eling Bear has lots of fun with her friends.

After Eling Bear has been playing some more, it will be time for lunch. Eling Bear has to tidy up and then go to the toilets to wash her hands ready for lunch. Eling Bear can choose to have a red or green dinner. Sometimes Eling Bear might have sandwiches instead.

Once Eling Bear has finished all her lunch she can go outside for a big play in the playground with all the other children. When the bell rings Eling Bear will come in and sit on the carpet for the register. After the register Eling Bear can go and do some more playing in the classroom or outside and might get chosen to do some work as well.

If Eling Bear needs the toilet in the day she has to ask a teacher. Eling Bear was a bit scared to start but she asked for help which made her happier.

Eling Bear is feeling very tired after her busy day at school, she cannot wait to see her family.

Eling Bear loves coming to school.
